**Garden City-based Franchises Announce Initiative to Foster the Growth of
Small Businesses**

Champion Office Suites - Garden City and ActionCOACH announce a joint effort to establish an Action ProfitClub to foster the growth of small businesses. Champion Office Suites is the nation's leader in virtual office and remote reception services. ActionCOACH is the world's number one business coaching organization.

Michael Breitman, the master licensee of ActionCOACH for New York City and Long Island explains, "ProfitClub is run by a certified Action Coach and affords an opportunity to learn and apply proven business tips and strategies in sales, marketing/advertising, team building, and communications while interacting with peers and establishing strategic alliances.

Roger Kahn of Champion Office Suites says that "networking and the word-of-mouth it generates is perhaps the best and most efficient way to increase your business. ProfitClub is specifically designed so that each participant can build their knowledge, build their business, and build their network". "A ProfitClub is a perfect complement to the virtual office and remote reception services we offer our clients."

The ProfitClub kick-off meeting will take place at Champion Office Suites on Wednesday, September 26, from 4:30pm to 6:00pm. Champion Office Suites is located at 1225 Franklin Avenue - Suite 325, in Garden City.
