

## **Champion Office Suites Affiliates with 750-Location Da Vinci Virtual**

Garden City, New York, August 2010

Champion Office Suites is pleased to announce that it has just entered into an affiliation agreement with Da Vinci Virtual that will allow Champion's clients and members to use offices and conference rooms at more than 750 locations worldwide. Likewise, clients of other Da Vinci members will be able to use the virtual offices and conference rooms at Champion's Garden City, New York facility.

"This is a great opportunity for my clients", said Roger Kahn, owner/founder of Champion Office Suites. "Now I can offer my clients the ease and convenience of quality offices and conference rooms on an hourly basis all over the world. Business travel just became easier and more profitable for Champion Office Suites' client base."

"We have already reaped some benefit from the affiliation," said Kahn. "An out-of-town company needed an office in Garden City for a meeting and is renting one from us. This is business and exposure that I would not have had without my affiliation with Da Vinci. And, a prospective client was thrilled that she could use us in Garden City, New York, while her partner in Cincinnati could use an affiliated facility out there."

Champion Office Suites is Long Island's most honored virtual office, executive suite and ready-office facility. Combined with their live telephone reception service and on-site administrative assistance, Champion Office Suites provides its clients the image, support, and resources of traditional office space for just a small fraction of the cost.
